NAME CHANGE AND/OR TRANSFER INSTRUCTIONS

A. ACTION TO BE PERFORMED

Check the appropriate box to indicate a name change and/or permit transfer.

- ◆ For a **name change**, provide the effective or scheduled date of the name change. Please note that for name changes, DEQ prefers to process your request after the name has been legally changed to avoid incorrectly modifying its files should the change not occur.
- ◆ To **transfer a permit** to a new owner, provide the date on which you want the transfer to occur. Transfer will not occur until DEQ has received the appropriate signatures and fee and reviewed the transfer information. Approval of a transfer may take up to 30 days to process.

B. PREVIOUS INFORMATION

1. Enter the previous legal name and common name of this facility or operation if different than the legal name.
2. Enter the facility's physical address (physical location, not mailing address), including city, state, and zip code.
3. Enter the DEQ permit number and facility file number (also known as the site ID number; this number may be found on the first page of your permit).

C. NEW INFORMATION

1. Enter the new legal name. This name will appear on the permit and must be the **legal** Oregon name (for example, Acme Products, Inc.) or the **legal** representative of the company if the company operates under an assumed business name (for example, John Smith, dba Acme Products). The name must be a legal, active name registered with the Secretary of State - Corporation Division unless otherwise exempt by regulation (503-986-2200 or <http://sos.oregon.gov/business/Pages/register.aspx>).
2. Enter the new common name of this facility or operation if different than the legal name.
3. Enter the name, telephone number, and e-mail and mailing addresses of the Responsible Official. The Responsible Official is the person that receives official correspondence from DEQ, such as renewal notices or notices of noncompliance, and may be contacted if there are questions about this application.
4. Enter the name, telephone number, and e-mail and mailing addresses of the Facility Contact if different from the Responsible Official. The Facility Contact is the person located at the facility that has specific knowledge of the facility or operation under permit (for example, the treatment plant operator), and may be contacted if there are specific questions about this application.
5. Enter invoicing information for billing purposes if different from new legal name (for example, "Invoice To: Business Office").
6. Complete as indicated. Attach an explanation if changes are being made to the discharge regulated by the current permit.

D. SIGNATURE REQUIRED FOR NAME CHANGE

The signature of a legally authorized representative must be obtained before DEQ will change the name of a permittee.

E. SIGNATURES REQUIRED FOR PERMIT TRANSFER

The signatures of legally authorized representatives from the previous owner and new owner must be obtained before DEQ will transfer a permit. If the previous owner is not available, DEQ will accept a bill of sale or other proof that the new owner has acquired a property interest in the permitted activity.
