

BEAR CREEK STEWARDSHIP DAY

**HELP US CLEAN UP BEAR CREEK!
SATURDAY, APRIL 19TH FROM 9:00AM – 12:00PM**

At Rogue Valley Sewer Services, we strive to protect and preserve the public health and quality of life of the communities we serve. Join us in celebrating Earth Day and help out at your favorite spot along the Greenway as we partner with Bear Creek Stewards, Stream-Smart, and many others in a community-wide effort to clean up Bear Creek. There are multiple locations along the creek doing trash clean-up and riparian restoration, come out and show your support!
